

Study Guide for Fundamentals of Ethics

Chapter 11: Pornography

1. Explain what pornography is and state the kind of pornography to which feminists object.
2. Explain the following liberty-limiting principles: the harm principle, the social harm principle, the offense principle, legal paternalism, and legal moralism.
3. Discuss application of these principles to the issue of pornography.
4. Formulate your own opinion on the moral and legal issues concerning pornography
