

**Revision of Ethics Schedule after Spring Break.** All students are to read the chapter in our text associated with the topic before coming to class. There will be a question and answer period, as well as open discussion on the topics immediately following the presentation. Your journals should demonstrate that you have interacted with all of these topics (chapters). Tests will be from multiple-choice from the website linked to our textbook. All tests should be in by Saturday night the week the chapter is presented in class. *Do not turn in Tests prior to or after the week due.*
